To

The Secretary,
Bombay Public Service Commission.

Subject: Appointment to the post of assistant Engineer (Electrical and Mechanical), Bombay Electric Grid.

I am directed to refer to your letter No. 744, dated the 1st August 1950, and to state that the formula mentioned below has been usually adopted by this Department during the last three years as a guide in determining the starting pays of Deputy and Assistant Engineers in the Public Works Department in the scale of Rs.220-15-400-E.B.-20-500E.B.-25-650, whenever a candidate asks for a higher starting pay in that scale.

Graduates 1929 and earlier	Rs.400
Graduates 1930-1931-1932	Rs.370
Graduates 1933-1934-1935	Rs.340
Graduates 1936-1937-1938	Rs.310
Graduates 1939-1940-1941	Rs.280
Graduates 1942-1943-1944	Rs.250
Graduates 1945 onwards	Rs.220

(B.K.Choksi)

Bombay Public Service Commission
Bank of India Building, Mahatma Gandhi Road,
Bombay No1, 16th November,1950.

From

The Secretary,
Bombay Public Service Commission.

To The Secretary to the Government of Bombay,
Public Works Department.

Sir,

With reference to Government letters mentioned in the margin regarding recruitment to the posts of Assistant Engineer(Electrical & Mechanical) in the Bombay Electric Grid in the General State Service, I am directed to state that the Commission recommend the candidates named below for appointment to the posts:-

Govt. letters No.1928/48-E(I), dated the 9th June and 28th June 1950.
Govt. letters No.2895/48-II-E(I), dated the 4th August and 13th September 1950.
Govt. letter No17025/36-XXIV-E(I), the 16th June 1950.
Govt. letter No.1209/48-E(I),dated the 21st June 1950.

Assistant Engineer
(Electrical and Mechanical)
(One post).

Shri A.V.R. Bheema Rao.

Assistant Engineers (Electrical & Mechanical) Diesel and Small Steam Power Stations(four posts).

1. Shri G.A.Rao
2. " K.K.Thakore
3. " V.K.Bhatt
4. " R.H.Rathod.

The names are arranged in order of merit.

Assitant Engineers(Electrical and Mechanical) Diesel Electric Power Stations(three posts)

1. Shri S.G.Shukla
2. " P.K.Godse
3. " P.M.Joshi

The names are arranged in order of merit.

Assistant Engineers(Electrical & Mechanical) for the South Gujarat Electric Grid Scheme and North Gujarat Electric Grid Scheme (Three posts).

cont.....

1. Shri B.N.Anata Ramiah

2. Shri B.C.Shrinivasa Murthy.

3. Shri U.P.Joshi.

The names are arranged in order of merit.

Assistant Engineers(Electrical & Mechanical)
Deputy Power Station Superintendent.

1. Shri V.K.Patel.

2. Shri J.C.Bajaj.

The names are arranged in order of merit. Shri Bajaj is recommended provided the diploma of the Dayal-bagh Technical College is accepted as equivalent to a diploma from an institution affiliated to a university.

2. The candidates named below have not produced the certificates mentioned against their names, and have been called upon to do so.

Shri V.K.Bhatt- Diploma in Electrical Engineering.
" P.M.Joshi- Age and domicile certificate.
" J.C.Bajaj- Certificate of age.

The Commission's recommendations in respect of these candidates may be treated as provisional pending production of the necessary certificates.

3. The candidates named below have asked for the higher starting salaries mentioned against their names:-

Shri	G.A.Rao	-- Rs.480/-
"	K.K.Thakore	Rs.450/-
"	B.C.Shrinivasa-Murthy	Rs.340/-
"	U.P.Joshi	Rs.400/-
"	V.K.Patel	Rs.500/-
"	J.C.Bajaj	Rs.420/-

The Commission would leave the question of starting pay to the discretion of Government.

4. Dr. Ram Prasad, Superintending Engineer(Hydro),Bombay Electric Grid, was present at the interview.

cont.....

5. Statements of particulars regarding the candidates are forwarded herewith.

Yours faithfully,

Sd.B.J.Israel,
16/11/50
Secretary,
Bombay Public Service Commission.

Copy of letter dated the 15th November 1950 from Shri G.A.Rao, Bobbili, B.N.Railway, addressed to the Secretary, Bombay, Public Service Commission.

I acknowledge with thanks the receipt of the original certificates sent to you in connection with my application for the post of Assistant Engineer in the Bombay Electric Grid.

I am anxious that the starting salary asked by me should not stand in the way of selection. Though my present salary is Rs.310, I enjoy free quarters, grain concessions and other advantages which amount to an equivalent salary of over Rs.400 per mensem. I trust that it will be possible to accept a position in the Grid if I will not be worse off for the change.

Confidential
Very Urgent.

No.744,
Bombay Public Service Commission,
Bank of India Building, Mahatma Gandhi Road,
Bombay No.1, 20th November 1950

From

The Secretary,
Bombay Public Service Commission.

To

The Secretary to the Government of Bombay,
Public Works Department, Bombay.

Sir,

In continuation of my letter No.744, dated the 16th November 1950, regarding recruitment to the posts of Assistant Engineers (Electrical and Mechanical) in the Bombay Electric Grid, I am directed to forward herewith a copy of letter dated the 15th November 1950, from Shri G.A.Rao, who has been recommended first in order

cont.....

of merit for the posts of Assistant Engineers(Electrical and Mechanical), Diesel and Small Steam Power Stations.

Yoursfaithfully,

Sd/-

Secretary,

Bombay Public Service Commission

E.B(I) 1928/48/95231.
P.W.Deptt.

The B.P.S.C. have recommended recently 13 candidates for appointment as Asstt. Engrs. under the Bombay Electric Grid. Out of the 13 candidates, the following six have asked for higher starting pays as shown against them:-

Name.	Year of passing the Exam.	Pay asked for Rs.
1) Shri G.A.Rao, B.Sc. (Engrg.).	1938	480 (Present pay Rs.310)
2) Shri K.K.Thakore, B.Sc(Engrg.)	1942	450 (Pay while in service Rs.325)
3) Shri B.C.Shrinivasa Murthy (Diploma holder).	1936	340 (Present pay Rs.200/-)
4) Shri U.P.Joshi,(-do-)	1928	400 (Present pay Rs.270)
5) Shri V.N.Patel, B.Sc.(Engrg.)	1937	500 (Pay last drawn Rs.375).
6) Shri J.C.Bajaj(Diploma Holder)	1939	420 (Present pay Rs.325).

Shri G.A.Rao has subsequently intimated the B.P.S.C. that the starting salary (Rs.480) asked for by him should not stand in the way of his selection to the post applied for and that it will be possible for him to accept the position in the Electric Grid if he will not be worse off for the change.

2. The Commission's recommendation of Shri J.C. Bajaj for appointment is subject to the condition that the Diploma of the Dayal-bagh Technical Institute is accepted as equivalent to a diploma from an Institution affiliated to a University. This

question.....

question will be taken up an file No.7025/36-XXIV. If the Diploma is accepted, then only the question of Shri Bajaj's appointment arises.

3. The formula usually adopted as a guide for determining the starting pays of Deputy or Asstt. Engrs. will be found at p: -ante.

4. In this connection it may be pointed out that Shri V.K Patel was recommended by the Commission for appointment against the same post previously advertised Shri Patel then asked for a higher starting pay of Rs.500/-, as at present while the Commission recommended upto Rs.400/-. Govt. offered him only Rs.310/-in the old scale of Rs250-20-750. Shri Patel refused to accept the offer and asked for Rs.510/ per mensem. The question of appointing Shri Patel was ultimately dropped. Shri Patel has been recommended for the same post now, as it was readvertised.

5. In circumstances, it is for consideration as to what starting pays may be offered to each of the candidates mentioned in para 1 above. On receipt of orders these Papers will be shown U.O.to the F.D.

I think the time is now ripe for revising the formula which was adopted in 1948-49, to give advantage to new candidates of the experience of two additional years. I would therefore suggest the following revised formula in the case of candidates to be appointed hereafter to the posts of Asstt. Engineers or Dy. Engineers:-

Year of graduation.	Higher starting pay in the scale of Rs.220-15-400-E.B.-20-500-E.B.-25-650.
1929 or earlier	Rs 440
1930-31-32	" 400
1933-34-35	" 370
1936-37-38	" 340
1939-40-41	" 310
1942-43-44	" 280
1945-46-47	" 250
1948 onwards	Rs.220

So far as the diploma holders to be appointed

to.....

to these posts are ~~around~~ concerned the above scale may be ~~retard~~ retarded by 4 increments, to make an allowance for the difference in the basic qualifications. If this proposal is accepted the formula for the higher starting pay in the case of the diploma holders would be as under:-

Year of obtaining the diploma.	Higher starting pay
1929 and earlier ...	Rs. 370
1930-31-32 ...	Rs. 340
1933-34-35	Rs. 310
1936-37-38	Rs. 280
1939-40-41	Rs. 250
1942-43-44	Rs. 220
1945-46-47	Rs. 220
1948 onwards	Rs. 220

With these formulae as basis, higher starting pay admissible to the candidates in question would be as under:

Name.	Year of graduation or obtaining diploma.	Higher pay admissible.	Pay with their present employer	Higher pay asked for.
Shri G.A.Rao, B.Sc.(Eng.).	1938	Rs.340	310	480
" K.K.Thakore "	1942	" 280	325	450
" B.C.Shrinivas Murthy (Diploma)	1936	" 280	200	340
" U.P.Joshi (Diploma)	1928	" 370	270	400
" V.K.Patel, B.Sc.(Eng.)	1937	" 340	375	500
" J.C.Bajaj (Diploma)	1939	" 250	325	420

Since Shri V.K.Patel refused to accept pay less than Rs.510 p.m. on the previous occasion, he is hardly likely to accept pay of Rs.340 p.m. which is admissible to him according to the above noted formula. The question of his appointment may therefore be dropped. F.D. may see u.o. for concurrence in granting higher starting pay to the other five candidates as proposed. Shri Bajaj's appointment will of course be subject to the recognition of his diploma as equivalent to the diploma already recognised.

H.M. may like to see with reference to the recent discussion of this case.

Secy
HM P.W.D.
u.o.

Id/-
2/1/51.

With his present pay at Rs325/- Shri J.C.Bajaj is not likely to accept the proposed salary of Rs.250/-, It would be therefore no use writing to him. As regards the Diploma granted by Dayal-bagh. It is a good qualification. An enquiry may however be made of the U.P. Govt. as to what Status that Govt gives to Dayal-bagh Diploma holders Vice-Versa the diploma Machinery and Electrical Engineering ~~Failed~~ granted by the Banaras University.

2. Attention is invited to the proceedings referred to in para 2 of the foregoing P.W.D. note — particularly the following.

i) Para 4 of the P.W.D. office note dt 2.9.48 and its Dy. Secy's note dt. 29.9.48 below the note, inthe file below.

ii) This Deptt. note dt. 27-10-48, in the file below, and

iii) The Chief Secy's notes dt.1-12-48 and 11.12.48 in file below.

It.....

It will be observed that within one year of first fixing the formula for giving higher starting pay, another formula as shown on p - 1 ante was framed and accepted. The reason seems to be dearth of qualified and experienced hands. As can be seen from the campanion of the formula fixed in 1947 and that fixed in 1948 increments equal to the number of years of seniority in passing the exam have been added to the initial pay in the B.E's Class II(viz. Rs.220-15-400 -E.B.-20-500-E.B.-25-650).

The formula now proposed is an this basis and advanced increments as shown in pencil on p-1 ante have been proposed. The P.W.D. proposals seems in accordance with the principle previously accepted by this Deptt. and may therefore be agreed to.

3. The formula proposed for the Diploma holders appears to be formulated for the first time. It is proposed to be retarted by four increments. There will thus be a difference in pay equal to four increments between the graduates and Diploma holders. In the present day demand for technical hands the formula proposed seems reasonable and may perhaps be accepted in this Deptt.

The P.W.D proposals may be agreed to
